

Same exam, different delivery

There are two options available to take the ISE Speaking & Listening Module at a Trinity Registered Exam Centre:

- With the Examiner present in person
- Online with the Examiner via video conference

Online options ISE Speaking and Listening Exams A 21st century solution

Online options are **authentic** and **synchronous** one-to-one discussions with a live Trinity examiner via Video Conference in line with Trinity's existing processes for exams leading to fully regulated qualifications that adhere to rigorous standards.

The same Trinity
one-to-one
communicative
exam

The same Trinity
results and
certification

The same Trinity
exam content is
assessed

The same Policies and monitoring procedures including **Identity checking**, Exam Centre requirements and responsibilities

The organisation of the day of exam is the same, with the only exception of the **exam room** which needs to have a computer equipped for video conference and stable internet connection

Online exams are **cheaper** and require a **lower minimum number of candidates** to organise a session

All online exams are video recorded on **Zoom**
