

EUROPEAN TRINITY DAY

AI and the Future of Language Education:
Innovation, Autonomy, and Impact

Seminario online gratuito con attestato

How is Artificial Intelligence reshaping language education across Europe – and what does this mean for teachers and learners?

Join us for our European Online Seminar exploring the real impact of AI on language learning, classroom practice, and learner autonomy.

8 Maggio 2026 - 10.00 - 12.00

15 Maggio 2026 - 10.00 - 12.00
