WORKSHOP GRATUITO PER DOCENTI DI LINGUA INGLESE

Reshaping Communication in the Contemporary Classroom

A hands-on workshop for English teachers working with today's learners

Anna Bennett
Trinity College London Italy

What does real communication look like in today's classroom – and how can we help learners develop the confidence to use English beyond the lesson?

This practical 4-hour workshop invites teachers to explore key communication skills learners need today: confidence, interaction, collaboration, and purposeful speaking. Through hands-on activities, participants will experience approaches that motivate learners and make speaking meaningful.

Alongside this, teachers will explore how Trinity's ecosystem – including the Diagnostic Tool, Teaching Speaking Course, the New Young Learners Award, Skill Up! app, and communication-focused exam suites – can support teaching, learning, and assessment where communication is at the heart of your classroom.
